### **Section A:**

#### **Enrollment Agreement Cancellation Policy:**

The student can cancel the Enrollment Agreement without penalty by directly (in person, in writing, or by telephone) notifying the Program Director or Program Administrator within 3 business days of the signing of the Enrollment Agreement. If cancellation notification is received within 3 business days, full refund of any deposits will be made to the student or to a third party designated by the student within 14 days of receipt of the cancellation notification. If a third party makes the deposit payment, the deposit will be refunded to that third party. If a student chooses to cancel the agreement after 3 business days, no deposit refund will be made.

#### **Tuition Refund Policy:**

If a student chooses to withdraw from the program within the first week of class, they will be eligible for a full refund of tuition fees paid less any deposit amount and the \$25 application fee. Students choosing to withdraw within the first quarter of the enrollment period will be eligible for a 25% refund of fees paid less any deposit amount and the \$25 application fee. Students choosing to withdraw up to half way through the enrollment period will be eligible for a 50% refund of fees paid less any deposit amount and the \$25 application fee. Students choosing to withdraw more than half way through the enrollment period will not be eligible for a refund.

I have read and understand the Enrollment Agreement Cancellation Policy and the Tuition Refund Policy and agree to the terms of this Enrollment Agreement. I understand that late payments will be subject to a \$10 per week late payment charge. Students with accounts over 2 months past due, or who have incurred more than \$100 in late charges will be suspended from the program until their account is current and an additional month's tuition payment has been made.
